2010-2011

Marching Band is a Fall Semester music class for the student who has had previous training in music. Marching Band will further the musical growth and marching techniques required in parades, field shows, and pep bands. Marching Band follows the Visual and Performing Arts Standards by developing and expanding musical expression, aesthetic judgments, connections in society, as well as providing a greater understanding of music from various classical periods, composers, and cultures. Marching Band may also count towards one semester of PE Credit as well as fine arts credit. Performance participation is a requirement of the class.

Students in first semester Band (Marching Band) will learn basic military and drum and bugle corps marching techniques, memorizing and leadership skills.

Second semester, students in Concert Band will learn concert band literature and perform in festivals and other school concerts. Occasionally, the Marching Band will be required to perform second semester for a "gig" or special performance.

  - B) Students must wear Band Field Show T-shirt under the uniform. No tank tops or bare chests allowed. Knotting or tying up band shirts around or above the waist is not allowed.
  - C) Uniform pants must NEVER sag. The hems should touch the top of the marching shoe and must not fall below the heel of your shoe or touch the ground.
  - D) While wearing uniform, NEVER eat pizza, chili, nachos, fried foods, cheetos, chocolate or anything with ketchup, bbq sauce or mustard. NEVER drink colored beverages. Doing so will result in loss of points.
  - E) Hair that touches the uniform collar MUST be put up. This applies to male and female band members. Hair should be put up BEFORE you report to the music room. Hair supplies are not provided at school. Your hair may be cut if it does not meet these requirements: no bangs, long side hair, or hair that touches collar.
  - F) NO jewelry is to be worn, including earrings. Do not pierce any body part that will require visible studs.
  - G) Make every effort not to soil the uniform. Wear deodorant. Avoid getting make-up, cosmetics, or sunscreen on the uniform. Do not sit directly on ground; check benches and bus seats are clean before you sit down. DO NOT LEAN AGAINST BUSES or brush against bus doorways.
  - H) Shoes must be clean and polished and gloves must be clean and white when reporting at call time. Shoes should be washed and polished at least 24 hours beforehand.

  - C) Take great care to make you that you take the correct hat AND the correct hat box.
  - D) Do not set hats on the ground – ever!
  
5. **INSTRUCTIONS FOR HANGING AND STORING BAND UNIFORMS**
  - A) Uniform must be kept in the garment bag, with name and uniform number displayed in bag front “window”.
  - B) NO SHOES MAY BE KEPT IN THE GARMENT BAGS. Shoes tear the garment bags and there is not enough space in the uniform closets for bags with shoes in them.
  - C) Hang pants with the creases even and straight. Hang jacket properly and only zip jacket up partially.
  - D) Place entire uniform in garment bag and only zip bag up partially. This allows uniform to air out.
  - E) Uniforms must be turned in after each event, and may not be stored in cars, lockers, or at home.

**If your uniform gets soiled or damaged, inform Mr. Schick IMMEDIATELY so there is time to make corrections.**

**You are responsible for any loss or damage to your uniform and accessories. You are liable for payment of any replacement parts, repairs, or cleaning fees. Noncompliance of any of the policies will result in fines, loss of points, and/or removal from the instrumental music program as determined by Mr. Schick.**
