Musical Definition of the week:

Reflections

Our catalogue fundraiser (the “Cookie Man”) is officially over and although the final tallies are still to come, I can confidently say that we sold more than \$2,000 worth of items than we did last year. That translates to more profit for students and the music department. Thank you to everyone who helped make this fundraiser a success. As stated at the beginning of this fundraiser, all items should be available within 3 weeks.

About 20 parents attended the second Instrumental Booster Meeting last week. Even though the attendance was less than the first meeting, we were still able to make plans and inform parents about the direction of the music department. If you missed the meeting, the minutes are available online. The second Hawaii payment of \$170 was due last Wednesday. Most people avoided the \$10 late fee by turning in their payments early and on time. If you missed the payment, please turn in the money as soon as possible with the \$10.00 late fee. The late fees are going to pay for the rental truck and equipment in Hawaii. If any family has problems with the payment schedule, please email me so that we make the necessary accommodations to avoid future late fees.

Homecoming was a blast!! Even though it was a busy week with the Bonfire, Rosemont Rehearsal, Homecoming Game and Dance, everyone enjoyed wonderful memories which will last a lifetime. Our “pre-game” was hampered by the Pasadena Football Team because they wouldn’t leave the field before the game started. I convinced the coach to stay between the 30 yard line and the end zone. As a result, our super intelligent CV students had to pretend that the 40 yard line was the 50. The show wasn’t perfect, but our kids gave a heartfelt performance and adapted well to the situation.

Thank you to everyone who helped make this week successful. I could not have done it without the booster support and attentiveness of the students.

We also had our 2nd annual Alumni Homecoming Band AND our 4th annual Rosemont Football night at Homecoming. Both were extremely successful. The Rosemont kids had a great time and the Alumni provided a well needed lift during the 3rd quarter Band break and during the 4th quarter as they played with the Band. I hope that the Alumni event will grow each year as more and more alumni come back to celebrate homecoming.

It was a busy week and I think we are all looking forward to the GHS Game this Friday where both Marching Bands will perform their field shows.

Hawaii Chaperones

I will make my final decision regarding chaperones by next week. Sorry for the delay, I'm still awaiting word from the administration regarding possible chaperones.

Marching Band Rehearsal on October 29th instead of the Muir Game

Since the football game on the 29th against Muir is an away game and our first competition of the year is the next day, I have decided to hold a rehearsal from 5:00 – 8:00 at CV instead of participating at the Muir Game. This way, we can squeeze in an extra rehearsal before the competition. Since we end at 8:00 instead of the usual 11:00 p.m., the students will get home earlier and be rested for the competition on the 30th. Snacks will be provided from 6:30 – 7:00 on Friday.
