"Music is given to us with the sole purpose of establishing an order in things, including, and particularly, the coordination between man and time."

--Igor Stravinsky

**Reflections**

March is upon us. This month is filled with Festivals, Concerts, and the musical on top of our regular monthly expectations of homework, study, sports and family. Only by keeping a level head and working hard will we successfully deliver a musical and entertaining product. This month is our training ground for Hawaii. It is our chance to prove that Crescenta Valley has the hardest working and most talented musicians around.

The calendar updates on the web site have been slow in coming and this week I will work on posting all of the upcoming dates. Thank you for your patience and please understand that by receiving this weekly newsletter you are receiving the most up to date information available.

I hope to see all of you at the musical "Guys and Dolls" either this weekend or next. It is a wonderful show with a brilliant cast and pit orchestra. We've all worked extremely hard in producing this classic musical.

Don't forget the discount designer clothes Fundraiser this Saturday in the CV Cafeteria. Spread the news and bring your friends to this amazing event that provides inexpensive designer clothes and helps to support the instrumental music department.
