Reflections

Thank you to everyone who attended the Parent Meeting. I feel that it is important we get together once a month to discuss music events and needs. We have many supportive parents who share our vision of excellence and growth. If you miss a meeting, yet want to be informed with music events, please visit the web site for all the latest information. Minutes of every meeting are always posted online under the "Booster" section.

Wow!! We are finally done with Guys and Dolls. This year, all the students in the musical gave over 100% and created the most successful musical EVERY at CV. The music was amazing, the acting was incredible, and I'm sure we all agree that the past three months of practice was both grueling and rewarding. We make history every day at CV and should all be proud of our accomplishments. Great job!

Musical Joke of the week:

How many drummers does it take to change a light bulb? One, but he'll break 5 of them before he figures out you can't just push them in.

Until next week...
