Reflections

Thank you to everyone who attended Back-to-School night. We had a packed house and it was a pleasure to meet all of you and inform you about our Instrumental Music Program. If any of you have any questions that were not brought up at Back-to-School night, please feel free to email me so that I may answer them. I look forward to a productive, musical and fun-filled year.

I can hardly believe that we have just completed our third football game of the year. Marching Band had an especially grand time last Thursday at the Saugus Football Game. Even though we ended up losing the game, we had a spirited rivalry with the Saugus Band during the end of the 4th quarter. Their band began to play songs that our band played so we played them back and had fun trying to “out-do” one another. The students had a blast. Thursday games are normally tough because of the late night, but thankfully this was our only Thursday game this year. Our next game is at La Canada and hopefully we’ll earn our first “Win.”
