## New Horizon Tours – Helpful Hints and Information

### WALT DISNEY WORLD TRANSPORTATION:

FREE continuous Disney Buses operate from our hotel to most areas of the Walt Disney World Resort including Theme Parks, Water Parks, the Disney Resorts and the Downtown Disney® area.

**Wait at bus stop in the front of your Disney hotel.** Buses are numbered and destination is on the front. Please note where the bus drops you off so you know where to catch the bus for the return trip to hotel or other Disney location.

- ✓ **You Will Need Your ROOM KEY for Identification as a Disney Guest**
- ✓ **Remember to bring your DISNEY PARK HOPPER PASS and a MEAL VOUCHER or two.**

When returning to our hotel from parks make sure you get on the correct bus by number and destination. Each park has a transportation area in the front with signs which indicate which line to get in.

### WALT DISNEY WORLD THEME PARKS and ADMISSION PASSES:

Your tour provides you with a **THREE DAY PARK HOPPER PASS**. This pass allows you unlimited access to all four Disney Parks, Magic Kingdom, EPCOTT, MGM Studios and Animal Kingdom. This pass also allows you to change parks at will so you may visit more than one in the same day.

Disney has a system, **FastPass**, which is intended to help reduce the waiting time at some of the more popular attractions. The **FastPass gives you a ticket with reservation time to return to the ride and avoid a long wait in line.** Theme park maps will highlight those attractions that offer the **FastPass**, which have machines generally located very **near the entrance to the attraction.** Insert your park admission ticket into the **FastPass** machine, and receive a **FastPass** coupon with a time range reservation to return. Remember to **RETRIEVE YOUR PARK HOPPER PASS** along with the **FastPass.**
